TESTIMONY

I had the pleasure of attending your Healing Prayers while you were in Chicago. That evening I placed a card for prayers for "Debbie" of the Chicago area, who was scheduled for brain tumor surgery in a few days.

The few days passed and her surgeon became ill so her surgery was postponed. She had a brain cat scan two weeks later and the surgeon cancelled the surgery because the tumor had shrunk to such a small size. A few more weeks and a second test failed to find any trace of the tumor.

I want to praise God for yet another healing.

In August a co-worker's husband, Charles S., had a severe heart attack. I called the Cirle of Power (The Foundation Faith of God's prayer fellowship) to include him in the prayers. His recovery was steady and he is now back at work full-time, about two months after the attack! Praise God for this and all His healing powers.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row.

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can.

NEWSBRIEFS

HAPPY NEW YEAR

For all our readers we extend our prayers and best wishes for a very blessed and happy New Year, and a very joyful 1984 in the Lord's service.

TV star, Rocky Racoon!

As we go to press the local TV stations in Atlanta are airing a public service announcement (PSA) appealing for toys for our Toy Bank. The PSA is the inspiration of Rev. Jana Bernadette, and features her well known companion, Rocky Racoon, who makes the pitch for the toys. Rocky is a favorite in the hospitals with the children, and since his TV debut has become so excited he is often heard turning to his human companion and saying, "Am I on camera?" Rocky, in case you have not already guessed, is a hand puppet and, along with a whole team of such puppets, is a source of much fun and laughter for the children. The PSA opens with Rocky appealing for the toys and then switches to shots of him and the clowns in the hospitals, and it ends with Rocky telling viewers where to send the toys.

Lilac (Rev. Grace Michaels and Daffydil (Rev. Nathania Garman) entertain an audience of youngsters with hand puppets.

We are deeply indebted to Atlanta Interfaith Broadcasters for producing the PSA, to Tape Warehouse for donating the videotape, and to General Color for making some of the slides. God bless you all, and praise the Lord for the joy and happiness He brings to these children hospitalized over Christmas.

VISITOR FROM GUATEMALA

On a quite different subject, but also very much in the spirit of giving, Rev. Grace Michaels met Dr. Carl Heinlein in the course of her ministerial work. Dr. Heinlein expressed interest in the Clown Ministry and promised to call us when he was passing through Atlanta again a couple of weeks later. In the meantime we assembled bolts of fabric that had been donated to the ministry, so that Dr. Heinlein could take them home to make clown costumes for his own work with children. When he called again we learned much more about his work. He and his wife, Joyce, and their children run a Christian orphanage in Guatemala City in Central America. Those who have been following the news out of Central America know that most countries in the region are torn with-internal strife, Guatemala being no exception. Dr. Heinlein and his family have found themselves helping refugees from many nations, farmers dispossessed of their land, and, of course, always the children, the most pathetic of all the victims of war. When Dr. Heinlein visited Faith Center we found ourselves not only loading him up with many bolts of fabric, but all the clothes and shoes we could. Praise God for such as Dr. Heinlein and his family. Clothing, fabric, shoes and many other items will always be needed, so if you have items you would like to send please contact us for the address of the orphanage.

AN APOLOGY

Our apologies for the late arrival of our Christmas card offer, which was probably too late for you to order them for this year. We had hoped to get them to you in November, but unexpected production delays prevented this. However, if you want to send in for next year's cards we still have plenty on hand!

ANIMAL ACTION

Our first point this month is in the nature of a new year's resolution we hope you will undertake.

Spaying & Neutering: We urge all our readers to support spaying and neutering programs in your area. Literally millions of unwanted puppies and kittens are born each year. Many meet agonizing ends, including in the laboratories of vivisectors, and others are put to death when no homes can be found for them.

Slaughter in Peking: Authorities in Peking recently issued the most appaling regulation requiring all citizens in the city and suburbs to exterminate dogs, including personal pets. 280,000 have already been killed. Those who fail to destroy their dogs will be fined more than a month's wages. The ASPCA has lodged a strong protest with China, and we urge you to write immediately to the Chinese Ambassador in Washington, D.C. We especially solicit your prayers for these helpless and innocent creatures.

DID YOU KNOW?

Social scientists are predicting the following tragic statistics to be proved true in the coming year in the United States:

1) 500,000 children will attempt suicide.

2) 1,000,000 children will run away from home.

3) 12,000,000 teen-agers will take some form of narcotics.

4) 3,300,000 young people will experience a serious drinking problem.
